- ✓ *The Division of Business is professionally accredited by the Association of Collegiate Business Schools and Programs.*

❖ PROGRAMS OF STUDY AVAILABLE. . .

Xavier offers BS degree programs in the areas of Accounting, Finance, Management, and Sales & Marketing.

❖ INTERNSHIPS

Opportunities are available to all business students to obtain internships during their undergraduate studies. The Summer Internship for Academic Credit Program is intended to encourage students to obtain the professional experience needed to make them more marketable and better prepared to start their professional career and/or graduate program. Most of the internships pay a competitive salary.

In summer 2007, more than 20 business students completed internships at various private and governmental organizations. Whitney Brown did his internship at Federal Reserve System in Washington, D.C. Here is what he has to say about his internship experience:

“I spent my summer as an intern with the Board of Governors of the Federal Reserve System in Washington, D.C. With my Xavier education, I successfully completed a project pertaining to commercial real estate loans and the capital management of bank holding companies.”

❖ CAREER SERVICES OFFICE

The Office of Career Services helps students in obtaining internships and permanent job placements. They assist students with resume preparation, interviewing skills, evaluating internship/job offers, and securing the job of their choice by working with students on a one-on-one basis.
