To the best of my knowledge and belief, my statements in this request for reimbursement are complete and true. I am claiming reimbursement only for eligible expenses incurred during the applicable plan year for myself and/or my legal dependent(s). I certify that these expenses have not previously been reimbursed, nor will they be reimbursed under any other benefit plan and will not be claimed as an income tax deduction. If there is a discrepancy between the total amount of expenses requested below and the total amount of the attached receipts, I will be reimbursed according to the total amount of eligible expenses on the attached receipts.

Health care expenses must be processed by your insurance company first, they will provide you with an Explanation of Benefits (EOB). An expense is incurred when the service is provided, not when you are billed or pay for the service.
